TTGASC Media Consent Form

Background

TTGASC utilises and publishes electronic and print material for information sharing and promotional purposes, including publishing them in print and digitally (e.g. on Club websites).

Additionally, TTGASC may record video (including underwater footage) of swimmers for coaching purposes.

Request for permission to utilize or publish media for the purpose of information sharing and / or promotion.

TTGASC seeks permission to use the following:

- media (photo/film/audio recording) in which your child appears; and/or
- a written comment made by your child; and/or
- video footage of your child swimming (including underwater footage)

Note

- Video footage of swimmers recorded for the purpose of coaching and stroke correction will not be stored by TTGASC or its members, and will be deleted following its use.
- Additional written consent by the parent / guardian must be obtained by TTGASC prior to publishing full names of children where they appear in external media articles.
- TTGASC will not be responsible for the use or reproduction of media released externally (following express permission of the parent / guardian).
